ABOUT COMPANY

Business Optimization Business Automation Business Growth

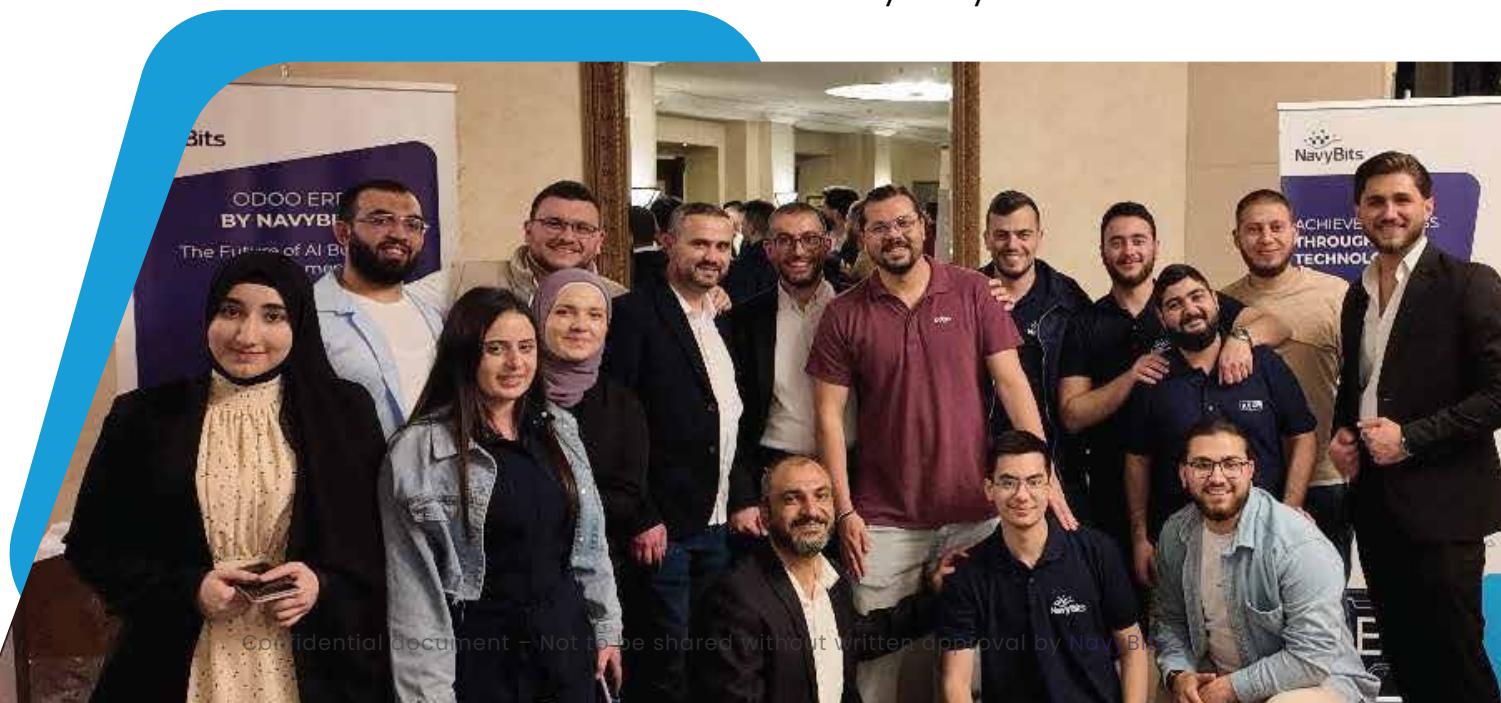

Satisfied employees, fulfilled men, empowered women, happy children. This is the result of flourishing and growing businesses.

NavyBits was founded in 2015 with a vision that software can empower businesses to grow and contribute to the general welfare.

Our experts will listen to your challenges and come up with tailored solutions using top-notch and state of the art technologies.

We do this by targeting the three pillars of successful businesses : optimization, automation and growth.

If it can be solved by software, it can be done by NavyBits.

CEO STATEMENT

Hassan Tabbal

At NavyBits, our mission goes beyond delivering technology, we are here to empower businesses, strengthen communities, and bring happiness to families. We believe that innovation should be simple, effective, and accessible to everyone.

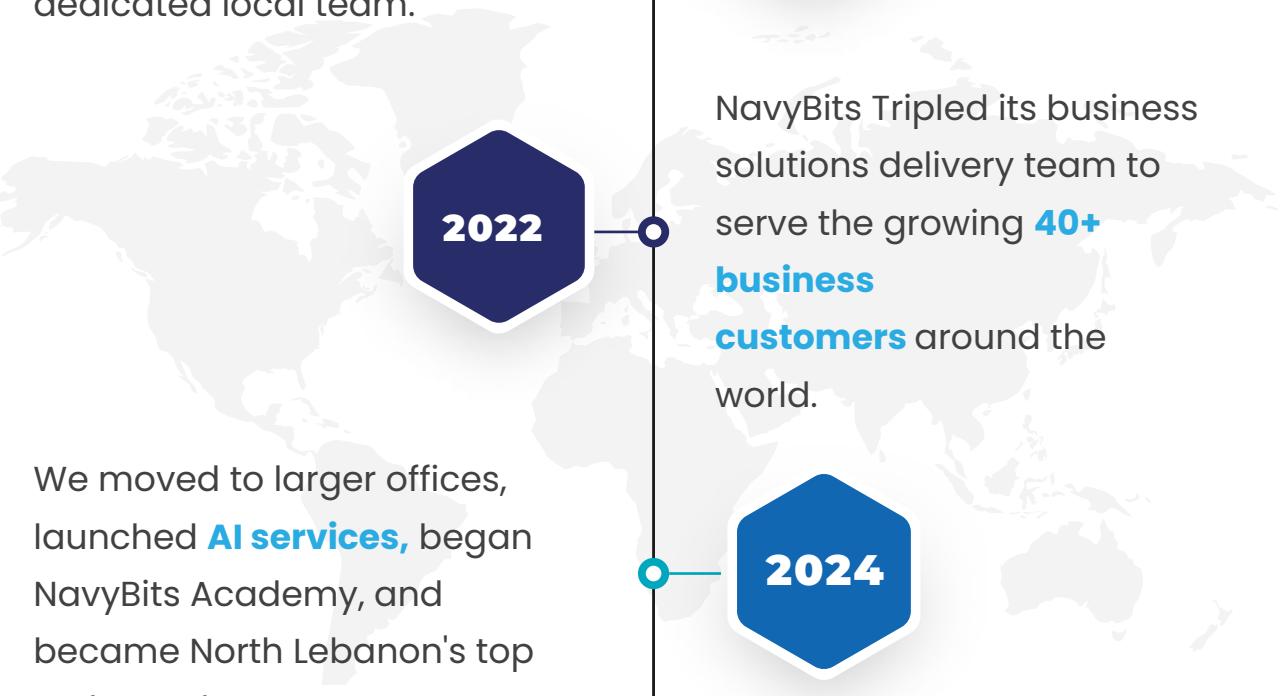

By providing tools that streamline operations and drive growth, we help our clients achieve success while creating a positive impact that extends far beyond their businesses.

”

Together, we're building a future where technology is the foundation of stronger, happier communities.

COMPANY HISTORY

NavyBits became an **Odoo ERP Partner**, with the only partner in Lebanon having a dedicated local team.

2015

NavyBits was formed in November 2015.

2016

NavyBits Tripled its business solutions delivery team to serve the growing **40+ business customers** around the world.

2022

We moved to larger offices, launched **AI services**, began NavyBits Academy, and became North Lebanon's top tech employer.

Now

2024

We deepened our mission to **empower businesses**, strengthen communities, and bring happiness to families by delivering accessible, effective, and human-centered innovation.

VALUES

TRUST

Each letter of “TRUST” represents one of our core values, reflecting the commitment NavyBits has to its clients, team, and community.

- ✓ **Trustworthy:** We are honest, reliable, and always keep our promises.
- ✓ **Respectful:** We work together as a team, treating everyone with kindness and respect.
- ✓ **Unity:** We support each other and celebrate shared success.
- ✓ **Service-Driven:** We go above and beyond to solve our customers' problems and help them succeed.
- ✓ **Thoughtful Innovation:** We build solutions that are both creative and reliable, putting our customers' needs first.

Behind every successful project at NavyBits is a team of dedicated professionals who are passionate about technology and committed to delivering excellence.

Our team is made up of industry experts with deep knowledge in areas such as cybersecurity, artificial intelligence (AI), machine learning, and ERP systems like Odoo.

MISSION

To help businesses do their best by creating easy-to-use tools that solve problems, save time, and make work better for everyone.

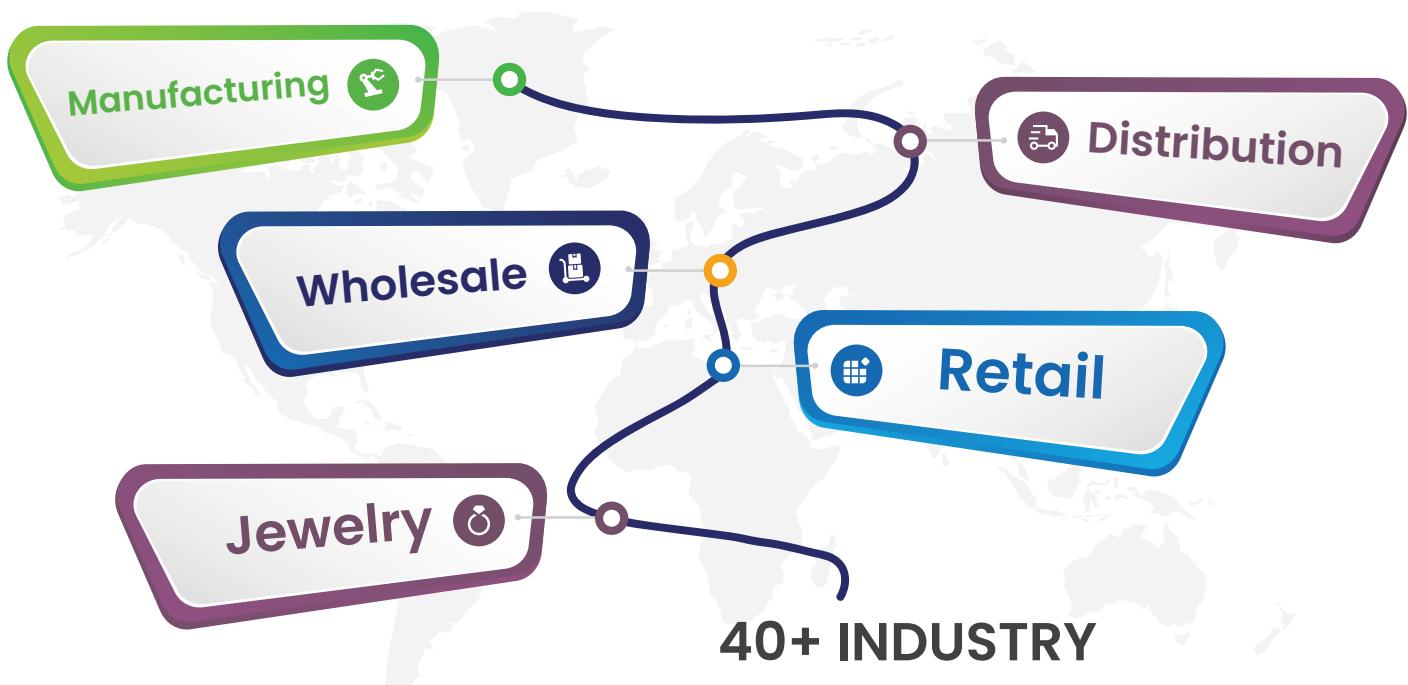

& VISION

To make businesses stronger and happier with smart technology that helps people, communities, and families grow and prosper.
